When anthropomorphising an animal there are stereotypical traits which commonly tend to be associated with particular species. Often these are simply exaggerations of real aspects or behaviours of the creature in question, while other times the stereotype is taken from mythology and replaces any observation-based judgment of that animal's behavior. Some are popularised or solidified by a ...

Earlier this year, I calculated average salary estimates for the public and private sectors in Ireland. The answer, that the average worker in the private sector earned â¬40,000 last year, almost â¬10,000 less than their public sector counterpart, has proved if not controversial than certainly a starting point for debate.Given some of the comments on that blog post, and the fact that the ...
