The study of real estate development at the graduate school level has taken many forms, giving rise to various educational models in different countries. The decision for individuals pursuing higher education in this field often comes down to choosing between a traditional degree with a focus on real estate (e.g., MBA with concentration in real estate) or an interdisciplinary, comprehensive ...

Master of Business Administration (MBA) - Florida State

Real estate development, or property development, is a business process, encompassing activities that range from the renovation and re-lease of existing buildings to the purchase of raw land and the sale of developed land or parcels to others. Real estate developers are the people and companies who coordinate all of these activities, converting ideas from paper to real property.

It gets verbose sometimes. One part I couldn't help to laugh is where the author asked himself a question, and then he answered as follow "In common parlance and on the basis of the casual empiricism frequently heard among practitioners in the real estate investment industry, the answer to this question would clearly be yes."
