

reflections on war and pdf

Reflections on War is a comprehensive and objective investigation into the problems of war. The book explores the crucial link between theory, strategy and objectives in war, taking all the evidence and theory into account, and should be of interest to military practitioners, specialists in defence studies, and others interested in military history.

The Iraq war of 2003 will serve later as an illustrative talking point. The war to end all wars (and another one nevertheless). Some good however, after World War 11, in that there is the establishment of the United Nations and a number of Geneva Conventions setting out at an international level attempts to "civilize warfare".

Sermon " reflections on war. " Effective Learning Report

This is intended as a reflection on peace, its cultivation and its greater significance. International Peace Day, which is celebrated on the 21st of September each year, is a highly symbolic and value rich event. In order to engage in a meaningful discussion on peace, the subject needs to be contextualised and its duality with war explored.

A Reflection on War and Peace for International Peace Day
