Executive Summary. The World Economic Forum's Global Risks 2012 report is based on a survey of 469 experts from industry, government, academia and civil society that examines 50 global risks across five categories.. The report emphasizes the singular effect of a particular constellation of global risks rather than focusing on a single existential risk.

UNICEF is committed to doing all it can to achieve the Sustainable Development Goals (SDGs), in partnership with governments, civil society, business, academia and the United Nations family – and especially children and young people.

UNICEF and the Global Goals

Today, our workforce and economy are global, and our approach to education must be too. At first, it seems daunting. Suddenly, we’re responsible for preparing our students not just to work with their peers down the hall but with students around the world who will be their future colleagues, clients and employers.
