Antisemitism in the United States has existed for centuries. In the United States, most Jewish community relations agencies distinguish between antisemitism, measured in terms of attitudes and behaviors; and the security and status of American Jews, measured by specific incidents. Antisemitic incidents have been on a generally decreasing trend in the last century consistent with a general ...

Which theories & explanations make the most sense? So far, the two leading theories are that weâ€™re â€œslidingâ€• between parallel (or similar) realities, or that weâ€™ve visited holodecks (and may be in one, right now) that have some glitches. However, those concepts are broad. Iâ€™ve been trying to narrow the possibilities.
