Run Devil Run is the eleventh solo studio album by Paul McCartney, released in 1999. It features mostly covers of both familiar and obscure 1950s rock and roll songs, along with three original McCartney compositions written in the same style, including the title track. As his first project following first wife Linda's death in 1998, McCartney felt the need to get back to his roots and perform ...

LFW Results by Category Results in red indicate methods accepted but not yet published (e.g. accepted to an upcoming conference). Results in green indicate commercial recognition systems whose algorithms have not been published and peer-reviewed. We emphasize that researchers should not be compelled to compare against either of these types of results.
