SAT Practice Test Answer Sheet. Download and print this answer sheet to take the full-length practice test. It will look a little different from the one you use when you take the official SAT, but the rules are the same: use a No. 2 pencil, completely fill in circles, and track your place so you won't get tripped up if you skip a question.

How can I tell how competitive I am if I studied for the SAT and took it for the first time \*without\* doing a superscore-focused approach? I am a junior and just got my December scores for my first-ever SAT (740/750) but even though i thought it was pretty good and even though puts me in the top 2% of all sat takers it hardly even squeaks into the top 25% of many schools and that seems odd.

Precursors to IQ testing. Historically, even before IQ tests were devised, there were attempts to classify people into intelligence categories by observing their behavior in daily life. Those other forms of behavioral observation are still important for validating classifications based primarily on IQ test scores.
