The Book of Abraham. The Book of Abraham is a book of LDS scripture that Joseph Smith translated from a collection of ancient Egyptian papyri the church purchased. [1] The book contains a narrative about some of Abraham's life as well as visions he had concerning the pre-mortal life and the creation.

Abstract: Joseph Smith taught that the origins of modern temple ordinances go back beyond the foundation

of the world. 1 Even for believers, the claim that rites known anciently have been restored through revelation raises complex questions because we know that revelation almost never occurs in a vacuum. Rather, it comes most often through reflection on the impressions of immediate experience ...
