Seeing Technology Through Metaphor Technology is like aâ€¦!

Seeing comes before words. The child looks and recognizes before it can speak. But there is also another sense in which seeing comes before words.

JOHN BERGER - Ways of Seeing

The Seeing Eye's mission is to enhance the independence, dignity and self-confidence of people who are blind, through the use of specially trained Seeing Eye® dogs.

Tourism has become an important source of income for many regions and even entire countries. The Manila Declaration on World Tourism of 1980 recognized its importance as "an activity essential to the life of nations because of its direct effects on the social, cultural, educational, and economic sectors of national societies and on their international relations."
