Education in Singapore is managed by the Ministry of Education (MOE), which controls the development and administration of state schools receiving taxpayers' funding, but also has an advisory and supervisory role in respect of private schools. For both private and state schools, there are variations in the extent of autonomy in their curriculum, scope of taxpayers' aid and funding, tuition ...

XtraMath Â® helps students transition from counting or calculating the basic math facts to recalling them. Quickly recalling math facts, instead of calculating them, frees up mental resources for higher-level operations. XtraMathâ€™s timed activities encourage students to answer questions as quickly as possible.
